This bold, dynamic book combines fold out flaps with numbers and counting concepts, engaging preschoolers in a fun and effective way. A world of surprises is in store for youngsters who explore the pages of this colorful picture book. With charming artwork, basic learning concepts, and large foldout flaps, this book is both entertaining and educational. Big, bold graphic representations of numbers are shown on each page, and when the foldouts are opened, readers will find pictures featuring these concepts incorporated ingeniously into the artwork. Innovative, welcoming, and featuring valuable ideas, this is the perfect book to captivate "and" entertain young minds.
