Completely revised to reflect current progress in pharmacy education and practice, the Seventh Edition of this best-selling review guide is indispensable for all pharmacy students, from the first year of professional courses to preparation for the NAPLEX® examination. A wide range of topics central to the study of pharmacy—chemistry, pharmaceuticals, pharmacology, pharmacy practice, drug therapy—are organized to parallel the pharmacy curriculum and presented in outline form for easy use. Comprehensive Pharmacy Review may be used as a quick review or preview of essential topics by a diverse group of readers, including matriculation pharmacy students, instructors and preceptors, professional pharmacists, and foreign pharmacy graduates.
