Fishing's Greatest Misadventures presents 25 larger-than-life true stories covering the spectrum of fish tales, from terrifying to comical to downright bizarre. Everyday fishermen, journalists, and pros tell their stories of freak accidents, fish attacks, sabotage, pranks, getting lost at sea, idiotic decisions, eerie incidents, and other jaw-dropping calamities. This book takes you from the freshwater to the sea with stories about every form of angling, from fly-casting for trout to noodling for catfish, and big game sport fishing to casting for the unknown.
