出版时间:2008-09-03

装帧:Paperback

isbn:9780143168645

Before Guy Gavriel Kay became known for his groundbreaking works of speculative fiction he was an accomplished poet, his work appearing in major literary journals such as "The Antigonish Review" and "Prism," Through the years, while writing his dramatic international bestsellers, Kay has continued to quietly explore the paths and boundaries of poetry as well. Now for the first time, Guy Gavriel Kay's poetry has been gathered and selected for publication. Readers of contemporary poetry will be captivated by the exquisite craft and power of these poems. Some are ironic and austere, slyly tracing the interplay of writer and world, present and past; others are sensual, even erotic, charting the mercurial but abiding nature of passion-in love, in language, in history.
