This course is specifically targeted at Polish speakers wanting to build on existing

vocabulary specific to suit their day-to-day needs in the UK. Essential English vocabulary with Polish translations is set to specially-composed music. This is an extraordinarily effective way of embedding new information into your long-term memory. This is ideal for people needing to learn English quickly and who don't have time to go to language school or pore over books. The CDs can be listened to whilst driving, commuting, ironing, doing the housework they can be easily fitted into even the busiest person's daily routine. Plug in, listen whilst you're out and about, and build up your English vocabulary in no time! Vocabulary covered: * Renting a house * NI number/job centre/employment agency * TV licence * Job interview * Mobile phone shop
