On a manic ride from the mixing boards of hip-hop recording studios to mansions in the Hamptons and the projects of the urban ghetto, Detective Black Sallie Blue Eyes ventures behind-the-scenes of the record business in search of a street-side assassin. Casting a widely satirical net on all spectra and species of the Manhattan social scene--from tweaking downtown hipsters, wrestling fetishists, and rapper wannabes to real estate moguls and hip-hop impresarios--this satirical urban noir novel offers intrigue, insight, and an innovative brand of humor.
