Synopsis: At a neighbor's request, Gary Kemmerman reluctantly agrees to investigate her husband's death. Enter Becca, the only witness to the fatal car crash. Add in a killer humming a Disney tune and an unexpected attraction between Gary and Becca. Having lost his wife to cancer the year before, will Gary risk loving and perhaps losing again? Will he be able to SAY GOODBYE? Blurbs: Buckle your seatbelts, SAY GOODBYE, the debut mystery from E. J. Rand, is a roller coaster of a ride. Action-packed, with an intriguing mystery and a charming mature romance, Rand has created a page turner that leaves the reader waiting anxiously for a Reluctant Sleuth sequel.... Evelyn David - MURDER OFF THE BOOKS SAY GOODBYE starts with a bang and carries you at a breakneck pace all the way to the very satisfying end. A retired widower finds the courage to investigate a friend's murder, battle corporate corruption, and even seize a second chance at love I'm looking forward to more Reluctant Sleuth books ...E. F. Watkins - BLACK FLOWERS Mystery and thriller fans will shout a warm hello to E. J. Rand's Reluctant Sleuth, Gary Kemmerman, who uses his low key charm and off beat method of detection to solve a complicated crime. I finished SAY GOODBYE in one sitting ...Noreen Wald AKA Nora Charles - Kate Kennedy Senior Sleuth Series: HURRICANE HOMICIDE, and DEATH RIDES THE SURF. You'll never forget the reluctant sleuth - E. J. Rand's fresh characters and intriguing plot wrap mystery, thriller, and romance into a page-turner. Don't miss this book....Allan Lazar - THE 101 MOST INFLUENTIAL PEOPLE WHO NEVER LIVED. Author: "Early one morning I was out in the snow, brnging in the paper, when a friend drove past on hisway to work. We waved, I asked myself 'What if?' and I was hooked. From that emerged SAY GOODBYE. My genre is the mystery, but I can't write a novel without offering a deep love story. That's just me." --E. J. Rand E. J. Rand is married and lives in northern NJ. He sometimes hums a Disney tune.
