Many of our religious beliefs are based on faith alone, but archaeology gives the opportunity to find evidence about what really happened in the distant past—evidence that can have a dramatic impact on what and how we believe. Join celebrated archaeologist and rabbi Richard Fruend as he takes readers through digs he has led in the Holy Land, searching for evidence about key biblical characters and events. *Digging Through the Bible* presents overviews of the evidence surrounding figures such as Moses, Kings David and Solomon, and Mary the mother of Jesus, as well as new information that can help us more fully understand the life and times in which these people would have lived. Freund also presents new evidence about finding the grave of the Teacher of Righteousness mentioned in the Dead Sea Scrolls, and gives a compelling argument about how the Exodus of the Israelites may have taken place in three separate waves over time, rather than in a single event as presented in the Bible. In addition to discussing some of the greatest Biblical controversies of our day, Freund provides a compelling discussion of how to understand these debates and how much information is necessary to form new conclusions about the past. An engaging introduction to the practice of Biblical archaeology, *Digging Through the Bible* shares information about the Holy Land that can provide a powerful connection between past history and present faith.

作者介绍:

理查德·A.弗罗因德(Richard A

Freund, 美国哈特福(Hartford)大学犹太史教授。著名圣经考古学家, 曾在cNN以及《历史与探索》频道等多家著名媒体上录制过专门节目。2011年, 由学者理查德·弗罗因德领衔的研究团队, 认定亚特兰蒂斯位于西班牙加的斯业部, 深埋于唐娜安娜公园大片沼泽地下, 其研究成果定于13日在美国国家地理频道特别节目"发现亚特兰蒂斯"中播出。
