In a rocky economy, everyone wants a rock-solid career. This new book uncovers the 150 most secure jobs in good and bad times. A total of 75 lists rank the best recession-proof jobs by pay, growth, and openings, plus by education level, personality type, career cluster/interests, age, part-time work, and self-employment. Bonus lists

reveal the most recession-proof metropolitan areas and states, the most recession-proof skills, and the jobs very sensitive to recession.
