Together in one explosive tome, it's all three volumes of "The Middleman," the Viper Comics smash coming soon to ABC Family It's all here: the complete story of Wendy Watson - art student turned crime-fighter for the the world's most absurdly secretive organization - loaded with extras and ready for action Your reality is a sham. Your way of life is constantly under attack by monsters, aliens and talking primates and the reason you and the rest of the pink-skinned normal world don't know it? The Middleman. Working in absurd secrecy, aided by talented amateur Wendy Watson, the Middleman stares down threats extra-infra and juxta-terrestrial with a big gun and a have-a-nice-day grin. The Middleman: he fights evil, so you don't have to
