His interest in her was purely professional...or so he told himself.Nash Kirkland had sought out Morgana Donovan, self-proclaimed witch, to help him research his latest screenplay. The hardheaded skeptic didn't believe for a minute she was what she professed to be, but Nash somehow found himself falling under her bewitching spell. Nash had never trusted his feelings. How could he be sure the irresistible passion he felt was real and not just some conjurer's trick?Obviously Sebastian Donovan was a fraud, but fiercely protective Mary Ellen Sutherland was desperate to find a missing baby and had run out of leads. So, reluctantly, the skeptical private investigator agreed to enlist Sebastian's help. Soon she had to admit--grudgingly--that this man had some pretty remarkable gifts. Especially his extraordinary ability to penetrate her tough facade and awaken her heart.
