2 bestselling Hugs books in one BIG Hug. Moms carry the burdens and blessings of caring for so many people every day -- children, husbands, parents, coworkers. They're

chauffeurs and nurses, they're short-order cooks and counselors. In short, their days are filled with to-do lists and their name is called more times than any other name in the world. Authors Philis Boultinghouse and John William Smith share heartwarming stories of moms in different walks of life along with inspirational messages to let any mom know that her good deeds have not gone unnoticed. Also included are personalized scriptures by LeAnn Weiss, as well as short, uplifting quotes sure to encourage and bless and to let Mom know she is loved and appreciated. Big Hugs for Moms is the perfect sentiment to let Mom know just how important she is -- today and any time of the year!
