Over 60 popular tiling projects come to life in nearly 700 vivid photographs, with professional advice to guide you through every stage of the process. All the Best Projects | Detailed instructions on tiling techniques for floors, walls, steps, countertops, fireplace surrounds, and a variety of outdoor surfaces. Get the Job Done Right | Tips

from seasoned tiling pros get you through the hard parts, allowing you to work smarter and faster. Easy Guide to Design | Photo galleries show both the best new looks and the time-tested styles that look great throughout the house. The Details You Need | The keys to success in preparing surfaces, working around obstacles, laying out patterns, grouting, and making repairs. Nothing adds grace and value to a home like the timeless beauty of tile. Happily, the decorating options have never been more plentiful, as new products such as cork, glass mosaic, and river rock tile take their place alongside more traditional stone and ceramic tiles.
