My Dance Recital captures the preparation, rehearsals, fun, excitement, and nervousness that go into dance recitals by young girls and boys. This book is chock-a-block with novelty elements—pull-tabs, fabrics, wheels, flaps, and pop-ups (including one grand finale)—and features Maryann Cocca-Leffler’s gorgeous signature artwork.

From getting hair and make-up done to pirouettes to the final bow, this book has it all. Young dancers—and aspiring dancers—will love every minute of it.
