Little street urchin ShaoSu has always wanted to belong. His small size makes him an easy target for bullies and baddies and this little “mouse” always needs a place to hide. When he is befriended by Hok and Ying, he thinks he has found a new family, and eagerly tags along as they continue on their travels. What he doesn’ t know is that his new friends are the most wanted criminals in China, and their adventures will land him in the middle of a battle not only for their lives, but for the future of China itself.

As the characters rush towards a dramatic conclusion to the Five Ancestors series in this, the penultimate title, Jeff Stone has again created a marvelous story, a compelling voice, and a ton of exciting action.--From the Hardcover edition.
