In a drowned world, can refuge be found? Less than a hundred years from now, the world as we know it has disappeared beneath the sea. Only fifteen-year-old Mara has the vision and the will to lead her people in search of a new beginning in this harsh, unfamiliar world. "Booklist "Science Fiction/Fantasy Top 10 for Youth "This sweeping, futuristic fantasy envisions a ravaged Earth, submerged almost entirely in water after a century of global warming . . . wholly imagined, extraordinarily vivid worlds."  
"--Booklist," starred review "Ecologically conscious teens will embrace this girl who is destined to save humanity." --"School Library Journal ""Intellectually rigorous and bursting with humanity, this is a book to be read again and again." --"Sunday Herald "(UK)
