A googly eye is a small and sometimes colorful bit of plastic that spices up children's playtime. Jam-packed with all sorts of creative ideas, this fun kit describes 101 things to make and do with googly eyes, including cool games, crafts, and amusing tricks. Young ones turn rocks into pets, transform a pair of plain sunglasses into a fashion statement, make friends out of school supplies, put a new twist on the "I spy" game, create real "eyesores," and much more.
