Warning: Swim at Your Own Risk! You are now entering SHARK waters. . .

With scalpel-sharp teeth, powerful jaws, and incredible speed, sharks are some of the world's most feared predators. Now, you can learn all about them in one super-cool, interactive book.

Dive deep into the pages and find:

- *An amazing pop-up Great White
- *A pull-tab activated shark fin
- *Lots of fun lift-flaps
- *Tons of 'Shark Bites' factoids
- *Amazing detailed illustrations
