Explore Ukraine's fascinating contemporary life and culture in this unique and all-encompassing resource. Ukraine's tumultuous history has left it standing on unstable ground, wrought with the devastation of the 20th Century's wars, famines, and other struggles. Today, life in Ukraine is moving forward, stepping out of the shadows of Communism and into a modern, urban, and multicultural light, finally gaining for itself a sense of national identity. Now a cultural hotspot that serves as a crossroads between Europe and Asia, Ukraine's traditions of yesterday are evolving into today's daily life and customs. In this thorough and unique investigation, readers will have the opportunity to delve into Ukraine's modern society by looking at its religious practices, language conflicts, gender issues, education policies, and media censorship struggles, as well as its cuisine, holidays, literature, music, and performing arts.
