While many small business owners seek to improve their bottom line, few realize all the ways that tax laws can help them do so. J.K. Lasser's Small Business Taxes 2009 gives you a complete overview of small business tax planning in an accessible manner. Focusing on strategies that help you use deductions and tax credits effectively, shield business income, and maximize other aspects of small business taxes, this valuable guide will show you how your actions in business today can affect your bottom line from a tax perspective tomorrow.
