The one great obsession of A.W. Tozer's life was worship. Many have written about worship, but Tozer surpassed them all in simple passion and supreme purpose. Compiled from material never before published, this book presents A.W. Tozer's systematic teaching on worship. His thoughts on the subject were deeply rooted in biblical doctrine and historic writings, blending Scripture with some of the great devotional writers throughout history. Be inspired to not only understand worship but also experience it in your own heart. This will be the best teaching in my ministry. I want to deliver my soul as a prophet of God to the people, and to explain why we were created and why we are here, not to the satisfaction of the needed appetite only but to something bigger, grander and more eternal, that we might worship God and enjoy Him forever.
