Millions of people are lost in debt and teetering on the brink of financial insecurity--and all they really need is a good map. By revealing key biblical principles of finance, "Your Money Map" steers readers toward wise money management through seven financial destinations anyone can reach. It describes each destination, from saving \$1,000 and creating a spending plan, to reducing debt and making wise, long-term investments. No matter how distant the final destination may seem, "Your Money Map" provides realistic steps and all the necessary tools to achieve them. The end result? True freedom to invest your time and resources in furthering the Great Commission. The path to financial freedom may seem too steep to climb, but this book will help you achieve the summit, one destination at a time. Set your sights on the biblical principles that will help you reach your destination
