Now in its fifteenth edition, this volume is an important, revised and updated ceremonial manual, published to guide and assist in celebrating the traditional liturgy today. Today as the traditional liturgy of the Roman rite enjoys its resurgence amongst Catholics, young and old, the need for an up-to-date ceremonial manual for the celebration of the traditional liturgy according to the liturgical books in use in 1962 is greater than ever in the past forty years. This volume in its fifteenth revised, corrected and expanded edition is published to guide and to assist this celebrating the tradition liturgy today. The ceremonies covered in this manual include pontifical, solemn and low Mass, Vespers, Holy Week and the liturgical years, the sacraments, Benediction of the Blessed Sacrament, funerals, episcopal visitation and more. This revised edition contains the text of the recent motu proprio by Pope Benedict XVI, a new chapter on music in the liturgy among other things.
