Bubbles are for popping, fishing, talking-and for sailing, keeping warm, and even shooting hoops! Who knew animals used bubbles in so many ways? Learn how the water spider builds an underwater bubble home, how snapping shrimp pop bubbles

to scare other animals, and how dolphins play with bubbles as if it's a game. Whether they are riding, breathing, or making bubbles, one thing is for sure-animals use bubbles in amazing ways. Real-world science meets tongue-in-cheek humor to describe how animals use bubbles. Includes back matter and a glossary and index.
