评论

he's my role model again, the better part, of course - the unwavering faith in, and the unrelenting search for a simple song.

He remained my role model until the summer of 2016.

我应该就是从这本书开始喜欢Lenny的，记忆犹新他给老婆写的信。

读过《Leonard Bernstein》★★★★★ “he's my role model again, the better part, of course - the unwavering faith in, and the unrelenting search for a simple song.”
