echoa's Ski Snowboard America (20th Edition) is a complete guidebook that provides the information to make reservations and plans. The writers let skiers know whether the resort is a cluster of condominiums clinging to a steep slope or a traditional mountain village exuding old-world atmosphere and whether they should pack a sequined gown or simply bluejeans for the nightlife. It includes expanded up-to-date coverage of more than 100 resorts in the U.S., Canada and South America.
