Drawing Inspiration is a one of a kind text for beginning illustrators. This book examines the relationship between academic and professional illustration through the ideas and first hand experiences of professional illustrators working in the field today. With hundreds of diverse hand-rendered and digital images, readers can explore a world of illustration that has no limits. While learning the fundamentals and basic principles of illustration, readers will also gain insight on how these concepts can be used in the professional world. Drawing Inspiration will not only educate readers, but it will also inspire them to reach their full artistic potential
