This book is a high-yield, targeted, rapid review for the American Board of Family Medicine Certification and Recertification Examination and the In-training Examination for Family Medicine Residents. Written in the most distilled, concise format, the book highlights certain crucial facts that are consistently used in the development of Board questions, and that candidates should study thoroughly in the last few weeks before the examination. Bratton's 1000 Facts will help candidates solidify their knowledge base and provide the confidence to perform well on the upcoming examination. It is an ideal companion to Bratton's Family Medicine Board Review .
