If you have a child on the autism spectrum who struggles with the challenges of daily life, then this book is for you. *Hints and Tips* is peppered with vignettes and stories of real-life situations and successes, and offers clever ideas for tackling everyday difficulties, such as bathing, bedtime, school trips and selecting the right child minder. Dion E. Betts and Nancy J. Patrick provide creative, practical strategies to help parents and caregivers to support their child and to enable their child to develop the social skills needed to manage and enjoy daily life to the fullest. The book is split into five parts: home life, hygiene, community, medical and schools and organizations. Common problem areas are also tackled in a toolkit section, which includes checklists, 'to do' lists, visual schedules and mnemonics to aid memory and retrieval.
