For the latest entry in this popular puzzle book series, Uncle John recruited some of

the country’s top puzzle creators and asked them to put together a year's worth of games to get the brain bubbling and the synapses popping. There are no tricks here, just plenty of creatively diverting games aimed at both the wildly wordy and the less seasoned scribe. BRI's crew of wordsmiths have whipped up a challenging set of crosswords, anagrams, sudoku, trivia quizzes, and much more for this pencil-chewing collection (erasers encouraged). Some of the brain-teasers are short, some are long but all will test the reader's puzzle-solving stamina. There's no obligation to follow the one-a-day rule, advises Uncle John; readers are encouraged to work on all 365 at once if they prefer!
