" Buffalo Lockjaw , like its charming, bitter screw-up of a narrator, reaches finally for larger meaning, and succeeds. . . . A brazen and tender book about a city and a scene, a mother and a son, and the beauty and pain of several kinds of love."

--Sam Lipsyte, author of Home Land "Ames knows how to build up the world with a light hand while still getting to the complicated and painful ways we muddle through. Funny, fresh, and generous."

--Aimee Bender, author of The Girl in the Flammable Skirt "In Buffalo Lockjaw , love of one's parents and love of one's hometown mix powerfully with the mad undertow of loss that seems as inevitable in life as gravity."

--Jonathan Ames, author of Wake Up, Sir! "Greg Ames, one of the funniest writers I've ever read, faces dead-on the most terrifying event in a person's life. Buffalo Lockjaw is frightening, heart-rending, and beautiful. . . . I didn't want it to end."

--Poe Ballantine, author of Things I Like About America "Greg Ames manages to evoke place and expose the complexities of character in a single swift phrase. It is a funny-sad, heartbreaking, hypnotically readable debut."

--Adrienne Miller, author of The Coast of Akron James Fitzroy isn't doing so well. Though his old friends in Buffalo believe his life in New York City is a success, in fact he writes ridiculous taglines for a greeting card company. Now he's coming home on Thanksgiving to visit his aging father and dying mother, and unlike other holidays, he's not sure how this one is going to end. Buffalo Lockjaw introduces a fresh new voice in American fiction.
