Impress friends and family with origami-inspired cards, boxes and envelopes that pop up, fan out and even hold hidden messages. Using only basic techniques readers can make dazzling cards for all occasions, this title also features five different envelopes to make to store and protect creations. With "Origami Card Craft", crafters can impress

their friends with origami-inspired cards, boxes and envelopes that pop up, fan out and even hold hidden messages. Readers will also learn to make five different envelopes to store and protect their creations. With over 25 years of experience in origami and paper crafting, author Karen Elaine Thomas shows how easy it is to create unique cards out of folded paper. With a few basic techniques mastered and the endless opportunities that paper offers, there's no limit to the dazzling cards that can be created simply and quickly, for any occasion.
