“A powerful little picture book with tantalizing fold-outs and dazzling displays.” — Publishers Weekly Beautifully illustrated scenes from the world’s jungles teem with hidden life. Can you spot the wonderful selection of camouflaged creatures? Test your powers of observation to find the answers and more information about them. Includes intricate die-cut gatefolds and a magnifying glass. John Norris Wood is a renowned wildlife artist who has exhibited at London’s Royal Academy of Arts, Natural History Museum, and Victoria and Albert Museum. He lives on his own nature reserve in England with his boa constrictor.
