"Eye Essentials" is a major new series which provides authoritative and accessible information for all eye care professionals, whether in training or in practice. Each book is a rapid revision aid for students taking higher professional qualifications and a handy clinical reference guide for practitioners in busy clinics. Highly designed with synoptic text, handy tables, key bullet points, summaries, icons and stunning full colour illustrations, the books have rapidly established themselves as the essential eye clinic pocket books. "Eye Essentials" offer all eye care students and practitioners the key points at a moment's notice.
