In real estate, it's a buyer's market-and here is the buyer's bible...

Buying a home is the single most important financial move in most people's lives. This book covers a variety of topics including inspecting, evaluating, negotiating, financing, contracts, and legal issues. It also breaks down the roles of the key players and what these professionals, agents, brokers, and inspectors are responsible for-and when to go it alone. The thorough advice, covering everything from buying houses at auctions to what neighborhood to live in, will provide reassurance for every soon-to-be homeowner.

- A necessary tool for those who plan to buy homes and even current homeowners in order to keep up with an ever changing market
- Will be published in time for spring, when most people start looking into buying new homes
- Covers a broad range of buying options and homeowner's needs
