And funny.a When Rowdy Talbot loses his silver belt buckleathe prize for winning the Crockett County bullriding championshipato two Frenchwomen he met in a bar, he hops on a plane to the City of Light to get it back, only to tangle with disaffected French revolutionaries, a turquoise-peddling CIA operative, a middle-aged courtesan, and a plot to destroy an American fast-food franchise. As Rowdy discovers in the chaos, thereas a whole other world beyond the back of a bull. So how funny is "Rowdy in Paris"?
