Immortality bites- new from the author of "Accidentally Dead" and "The Accidental Werewolf." Wanda Schwartz is raking in the dough selling Bobbie-Sue Cosmetics-and she's a pro at recruiting new sales"women." So, she's shocked when a man comes to one of her in-home parties-a very hot man. Heath Jefferson is sure to put some extra spin into a lot of women's color wheels. When Wanda is diagnosed with a terminal illness, it doesn't have to be a death sentence. With a werewolf and a vampire for best friends, she has options that most ordinary people wouldn't. As Wanda ponders what to do about her mortality, Heath reveals he has secrets, and one of them is that his former bloodlust has turned into an old-fashioned lust-for Wanda. And he's already given up too much to lose the love of his lifetimes.
