An ancient inscription... a dangerous secret] An explosive debut thriller Chris Bronson is devastated when his best friend's wife, the woman he was secretly in love with, dies in a tragic accident. But when Bronson heads to Italy to console his friend, he finds the evidence of a break-in and a strange Latin inscription on a stone above the fireplace. To decipher the stone, Bronson enlists the help of his ex-wife, an antiques expert, sending them on a treacherous path of clues across Europe leading to a truth so dangerous it could destroy the very foundations of the Christian faith]
