The New York Times bestselling author team returns with a budget-friendly, time-saving collection of green ideas.

Because Mother Earth never wrote a guide for humans on caring for her, the authors of Haley’s Hints now offer a collection of Earth-friendly tips for around the house. These many tips, both time-tested and money-saving, range from cooking and home repair to pest control and clever laundry ideas. Organized by category, the book shows how ordinary, non-toxic products can perform extraordinarily, all the while saving time and money. Readers can now say goodbye to expensive products and harsh chemicals. And Mother Earth will thank them for it.
