Abraham Lincoln has achieved an unrivaled preeminence in American history, culture, and myth. Here, for the bicentennial of his birth, Lincoln and his enduring legacy are the focus of nearly 100 major authors and important historical figures from his time to the present. Edited by celebrated Lincoln scholar Harold Holzer, this collection gathers fascinating writing from a variety of genres to illuminate the Lincoln we know and revere. It enables readers to rediscover Lincoln anew through the eyes of some of our greatest writers, including Winston Churchill, Frederick Douglass, Ralph Waldo Emerson, U. S. Grant, Nathaniel Hawthorne, Victor Hugo, Henrik Ibsen, Karl Marx, Herman Melville, Leo Tolstoy, Mark Twain, Gore Vidal, Booker T. Washington, H. G. Wells, Walt Whitman, Garry Wills, and many others. The Lincoln Anthology includes illustrations and a detailed chronology of Lincoln's life.
