Classic figure painting techniques require the greatest skills of eye, hand and brush and

in the modeling world few exponents of this delicate craft can claim the dexterity and vision of multi-gold award winner Hardy Tempest.  
returncharacterreturncharacterIn this program we turn the spotlight on to clothing - the cloth, leather and metallic elements of uniforms through the ages - and the ever-difficult mastery of realistic black and white painting.  
returncharacterreturncharacterIn clear detail we look at painting black and white woolen cloth, chain mail, plate armor, leather, heraldry, silk and much more.  
returncharacterreturncharacterUsing our highly detailed menu and index you can find Hardy's amazing techniques at the click of a button and the DVD pause facility allows you to stop the action at any point to understand and enjoy the wonderful results that he achieves.  
returncharacterreturncharacterMain program approx. 56 minutes  
returncharacterreturncharacterPLUS - these great DVD Extras:  
returncharacterreturncharacter Profile of Hardy Tempest Model panorama  
Correcting common mistakes List of products used or recommended Sources and referencer  
returncharacterreturncharacterTotal running time: approx. 90 minutes
