Milady's Standard Esthetics: Advanced is a brand new book created to introduce advanced treatments in the skin care industry. This text is designed for those students who are enrolled in an advanced esthetics course from 600-1200 hours. This in-depth, yet easy to understand resource is essential for programs that require advanced material to meet today's requirements such as: electricity and light energy, the role of the esthetician in a medical environment, and new cutting edge spa treatments as well as technological advances. This text contains expanded information in business and financial skills that are critical for a student to succeed as a skin care professional in the beauty and wellness industry.
