Zack knows he's not a normal kid. He's really an alien agent-in-training, brought to Earth to help guide the planet into the Galactic Union. Aliens follow him to a ritzy summer camp, where he's hooked up with Vraj, a huge, dinosaur-like creature on her first-ever assignment. Their mission: To get back a bunch of alien Duthwi eggs that, if hatched, can harm Earth. Their problem: Lots of eggs, too little time, and those bad guys are still after them. So what's a young alien to do?
