How do you make the right decision in a situation you've never experienced before? What do your customers really want and how do you recognize trouble and change your strategy accordingly? The answers to these and other questions are revealed in The Naked Entrepreneur. It is the real life story of Troy Hazard, a successful entrepreneur who has been there and done that. It depicts the two colliding worlds of business and spiritual. This book is the authors' alliance to the naked truth. No doubt this incredibly revealing story will leave you contemplating what true wealth is as you too begin to face your fears and walk a life of truth, freedom and honesty both personally and professionally.
