At Long Islands' s private Bennington School, the Diamonds rule supreme. They' re the girls all the boys want to date and all the girls want to be. And fortunately for Marni, she' s right in the middle of them. Best friends with the ringleader, Clarissa, Marni enjoys all the spoils of the ultrapopular: boys, power, and respect. But then Marni gets a little too close to Clarissa' s ex-boyfriend, Anderson.

Wrong move. The Diamonds don' t touch each other' s exes.

And just like that, Marni is jettisoned from Diamond to lower than Cubic Zirconia.

But Marni isn' t about to take her ouster lying down. She has dirt on the Diamonds, and she' s not about to go down without a fight. Everyone knows, the only thing strong enough to cut a Diamond is another Diamond.

Ted Michael is a literary agent and first time novelist. He lives in New York, New York.
