"aThis is the unbelievable story of how I went to college, gained twenty-five pounds, got dumped by my boyfriend, failed physics and became a worldfamous supermodel.a" So begins the Cinderella story of Beatrice Wilson, whose life changes overnight when sheas discovered by a scout for the oldest, most prestigious modeling agency in Americaafor their plus-sized division. Now she must find the confidence to vanquish skinny rivals, fend off sleazy photographers, and banish scheming frenemies in her rise to superstardom, all while trying to get her ex-boyfriend back. But Bea learns that to win prince charming, you first have to find a way to love yourself.
