Roxy spins records in dark clubs and small bars, hoping to make a name for herself as a

DJ in the complex and demanding club culture of New York City. She stumbles across Robie, a burned-out former superstar DJ, who shows her how to rise to the next level of her art. As Robie's mentoring begins to elevate Roxy's career, she must choose whether to follow her heart or the beat of the music she loves. Looking for the "perfect beat" is a long and demanding journey. Which path will Roxy choose, and what will she have to leave behind? B.P.M. is written and drawn by A.L.A. "Great Graphic Novels for Teens 2007" finalist and GLYPH award-winning author Paul Sizer (LITTLE WHITE MOUSE, MOPED ARMY) and presented with full-color digitally-enhanced artwork. Includes a comprehensive sketchbook section, detailed playlists and notes, plus links to iMixes from the Apple iTunes website that provide a "soundtrack" to accompany the book. A truly multi-media comic/music experience
