'Let's buy you some boobs', she said. Thanks to a freakish act of generosity on the part of her older sister, fourteen-year-old Teresa Tolliver is starting tenth grade with a brand-new bra - and the 'womanly profile' she's always wanted. Maybe now she can finally attract the eye of her obsessive crush, Achingly Adorable Adam. Boys like big boobs, right? Or maybe they just are big boobs. But Teresa's bust isn't the only part of her that could use a lift; a panicked fear of falling to the bottom of the high school social hierarchy has left her self-confidence a little flat, too. Meanwhile, her soon-to-be married sister is a shrieking bridezilla, her grandfather is starting to show scary signs of dementia, and someone in the house is pregnant. By the end of the year, Teresa's ego is starting to feel as battered and worn as her air bra. Will either make it out intact? Or will they both end up popped and lopsided?
