Updated to include the 2009 season, Cardinals Journal is the definitive, in-depth chronicle of one of Major League baseball's most beloved franchises from their founding in 1882. This is the ultimate Cardinals fan's resource, dividing the team's history into decades, years, and even days. The updated journal not only provides

hitting and pitching highlights as well as team and player stats, but it also includes unusual facts that go beyond just a box score. Along with past and present photos, sidebars, and anecdotes, fans will also find lists of all-time hitting and pitching leaders, all-decade all-star teams, and an all-time roster that includes team uniform numbers. Baseball fans will have their hands full well beyond the season of America’s favorite game.
