This title provides detailed estimates of the UK balance of payments for the last 11

years. It is an official publication of the Office for National Statistics (ONS), therefore providing the most authoritative collection of statistics available. It deals with one of the UK's key economic statistical series: the economic transactions between UK residents and the rest of the world. Updated annually, the statistics are presented in easy-to-read tables which are supported by explanatory notes and definitions. "The Pink Book" provides detailed estimates of the UK Balance of Payments for the last 11 years, including estimates for the current account, the capital account, the financial account and the International Investment Position. It also includes a geographical breakdown of the current account by country.
